### **Diocesan Satisfaction Survey-**

<https://form.jotform.com/82614757525160>

All the responses will be collected by the Diocese of Green Bay and are confidential. Schools will receive their individual results and the results for the Diocese as a whole.

### **Save Parents Money with 529 and ABLE Savings Accounts-**

Under recent federal law changes to 529 accounts, parents can now use those accounts to save for both K-12 education and college expenses. This not only provides a tax free way to invest in their child's K – 12 education, but provides parents the ability to choose the best options for their children. In addition to the changes to the 529 accounts, the Achieving a Better Life Experience Act (ABLE) allows families to create tax free funds to pay for special training for students with disabilities. ABLE also allows families to roll over unused 529 funds into an ABLE account, for disability education and training. Wisconsin passed legislation in 2015 that created ABLE accounts in Wisconsin. Presently there has yet to be an administrative rule created for it. The Wisconsin Department of Revenue does, however, recognize ABLE accounts that were open in other states. Parents can learn more about Wisconsin's 529 accounts [here](#) and ABLE accounts [here](#).

### **Be the Best Volunteer!**

Here in YM we are passionate about helping volunteers take their interests/ hobbies and intersecting them with our ministry needs. To help us do that, there is a link on the YM website entitled [YM Occasional Support](#). Filling this in lets us connect your interests with the needs of the ministry and the students- this is the best way to volunteer. If you have one hour a month to help make birthday cards, we will take it! If you like doing little craft projects, we sure could use you on Wednesdays. Do you play the Ukulele? We would love to offer a class to our middle school students. The sky is the limit. If you have a talent or hobby you would like to share, let us know by filling out the form. It takes a whole church to raise up Disciples- and it all begins with a simple relationship!

### **Collecting College Addresses!**

We are getting ready to do a little fall mailing for our college students. Help us get their address by going to the YA website and filling in the form. Thanks for your help!
