### Claim a Private School Tuition Tax Deduction

Private school parents can benefit from Wisconsin's K-12 tuition tax deduction by simply completing a one-page form with their 2018 state tax filing.

This is a state tax deduction that was won by WCRIS for private K-12 school parents across the state. But it does no good for private school families and schools unless parents claim it.

The tax deduction will save the average parent an estimated \$240 per K-8 and \$600 for high school students on their state tax bill. Holy Spirit's FEIN number is: 39-0807237

Information about the deduction is [here](#).
