Dear Faith Formation Families,

I hope this email finds you well as we approach this holiday weekend. Below I hope to adequately explain the high school Faith Formation program. We have a unique high school program, and for the past several years we have experienced real success with it. We sincerely hope that by taking the courses in our religion program our students will grow in their knowledge of the Catholic Faith and become true disciples of the Lord Jesus.

Description of the High School Religion Program – High school students need to take six required courses and three elective courses. They take three courses in their freshman year, three courses in their sophomore year, and three courses in their junior year. Then they prepare for Confirmation in their senior year. We offer courses in four blocks consisting of six weeks throughout the school year and have an optional summer course schedule.

We have been using the textbook, The Catholic Faith Handbook for Youth, and all students will be asked to bring this to every class. The handbook retails for \$24.95 and will be available in the Parish Center. Please contact the Faith Formation staff if you need to place an order prior to attending the first class.

Students can sign up for summer courses on Sign – Up – Genius beginning Tuesday, May 30.
You will receive a link on Tuesday to sign up.

All students, who enroll in a summer class (es) have an EMERGENCY AUTHORIZATION for completed “before” the first class. The form is available on the parish website, on the Faith Formation page.
