YMR - Youth Ministry Room

Dear Parish Families,

As Memorial Day approaches, it is time to pause and reflect upon the meaning of our national holiday honoring Americans who died while defending our country and the values that provide the foundation of our freedom.

Memorial Day was first observed on May 30, 1868 after being proclaimed by John Logan, the commander of the Grand Army of the Republic. The day of remembrance was borne out of the Civil War with a desire to honor our dead.

Our nation also celebrates the service of our military men and women during Armed Forces Day on the third Sunday of each May to honor those who are serving, and Veterans Day on the 11th day of each November to honor those who have served our country.

So that we may honor all of our military families and their service to our country, would you help us honor the military families of our parish and share their story.

Would you kindly send the name(s) of your people in your family who have served or are currently serving in our military along with information about their service? We would appreciate photos also and can help if you need to have your photo scanned and returned to you.

Please email the name(s) of people in your family, description of their military service and photo (if possible) to: info@holyspirit-parish.org

Or, please drop off your written information to the Parish Center at 620 E Kimberly Ave, Kimberly.

We would sincerely appreciate your information before May 24 to recognize in our Memorial publications.

If you are unable to reply to this request by May 24, please send your information when you are able because we will continue this project through the summer.

If you have questions or would like assistance to have your family photos scanned and returned, please contact Fran at the Parish Center (788-7640) or email Fran at info@holyspirit-parish.org

President Harry Truman wrote:

Our debt to the heroic men and valiant women in the service of our country can never be repaid. They have earned our undying gratitude. America will never forget their sacrifices.

Thank you in advance for helping us remember and honor your family member(s) who have served in our military or who are currently serving in our military. We look forward to sharing your memories and photos to honor their service and sacrifices.
