Financial Status of Parish

Cannot sustain Parish obligations with tithing & other fund raising efforts any longer. We are in need of a Capital Campaign.

Members of Holy Spirit Parish committees were invited and asked for their input as to specific needs which could be included in the capital campaign.

Items were prioritized as following:

- Debt Reduction
- Boiler for Kimberly Church & Kimberly school
- Security system for Parish Center
- Sound system for Kimberly Church
- Handicap ramp for Parish Center
- Parking Lot resurfacing
- Carpeting for classrooms
- Breakers for Kimberly Church

Parish will need approval from Diocese and decide which of the two vendors to choose. Finance Committee and Parish Council will choose at their next meeting. A three year time frame was approved - amount of capital campaign (one million one hundred thousand). Would like to begin in September - need to work around Mardi Gras & Bishop's Appeal.

John Heck motioned that meeting be closed. This was seconded by Roy Verstegen.
