Minutes. Motion by John, 2nd by Patty

We walked the playground and parking lot at the Darboy location with George Schmidt. He and his neighbors have issues with the drainage between our properties. We reviewed what has been done to remedy the problem with the catch basin and drainage into the creek. We have a water problem at the curve in the driveway which is an issue during heavy rains and in winter with ice. We will talk with Jeff at Stone Hedge to access the problem in his opinion and look at possible solutions.

Sherrie is working on solutions for the pot holes in the Darboy parking lot

We toured the Darboy Church and were given updates on the completion of the renovation project. A re-opening of the church is scheduled for June 12 at 7:30am. The committee is encouraged to attend and be available after mass to answer any questions.

Attic Venting Darboy church: We will be moving forward with mechanical solutions to correct the moisture in the attic. The insulation will dry out on its own during the summer months.

The sidewalks at Kimberly need mud-jacking or grinding. We will get pricing on both.

Article for Connections: Jon will submit B&G article by June 10 for the July issue
Vote to reelect John Heck to a 2nd term. Motion by Sharon, 2nd by Nick

Next meeting date: Aug 22, 2016. 7:00pm

Respectfully submitted,
Sharon Hibbard
